You have the option of notifying Zimbra of your installation.
This helps us to track the uptake of the Zimbra Collaboration Server.
The only information that will be transmitted is:
The VERSION of zcs installed (8.5.0_GA_3042_RHEL7_64)
The ADMIN EMAIL ADDRESS created (admin@mail.samsul.id)

Notify Zimbra of your installation? [Yes] no
Notification skipped
Setting up zimbra crontab...done.

Moving /tmp/zmsetup04292018-100053.log to /opt/zimbra/log

Configuration complete - press return to exit
