sendsmsd at pid 9632
```

playSMS has been installed on your system

Your playSMS daemon script operational guide:

- To start it : `playsmsd /etc/playsmsd.conf start`
- To stop it : `playsmsd /etc/playsmsd.conf stop`
- To check it : `playsmsd /etc/playsmsd.conf check`

ATTENTION

=====

When message "unable to start playsmsd" occurred above, please check:

1. Possibly theres an issue with composer updates, try to run: `./composer update`
2. Manually run playsmsd, `playsmsd /etc/playsmsd.conf start`, and then `playsmsd /etc/playsmsd.conf status`
